DPD-2461-61
Contract No. NY-A-501
Amendment No. 8

12 JUL 1961

Los Angeles, California

Gentlemen:

1. This document constitutes Amendment No. 8 to Contract No. NY-A-501 dated 21 August 1957 between [redacted] Inc., and the United States of America.

25X1

2. The following new clause, PART XV - GENERAL RESEARCH CLAUSE, is added to the contract schedule effective 1 January 1959 and thereafter:

"PART XV - GENERAL RESEARCH CLAUSE

Reimbursement for the cost of Contractor's independent research and development program shall be made under this contract to the extent and in the manner herein provided. At the beginning of Contractor's fiscal year, Contractor shall present to the appropriate negotiating activity a technical brochure describing the results of the prior period activities and its proposed independent research and development program for the ensuing year and the amount budgeted therefor. Upon receipt of such brochure, the parties shall negotiate to determine the proportion of the cost of said independent research and development program which will be included in the overhead account for allocation to Government contracts. A written memorandum shall be made reflecting the results of such negotiation, and the Government shall not be under any obligation to recognize any further amount for independent research and development costs."

25X1A

It is understood that the cost of the above will not exceed [redacted] for the period beginning 1 January 1959, the acceptance of such general research expense being in consideration of the Contractor furnishing the Contracting Officer with copies of all reports covering research performed during the period, which reports the Contractor shall deliver within sixty (60) days from the execution hereof.

3. Pursuant to clause 33 - NEGOTIATED OVERHEAD RATES of the General Provisions, the following final rates have been established for the period 1 January 1959 through the expiration date of the contract:

25X1

25X1A

R & D Expense
(Applied to Direct Labor)
Manufacturing Expense
